OLIVER ZETER

SAUVIGNON BLANC
ZERO HERO BUBBLY 0%

Based on our experience with Sauvignon Blanc it was obvious to use this grape variety for our new de-alcoholized and alc-reduced wines. To meet our high standards, we had to completely re-think our approach. For the Zero Hero 0%, we selected clones with a high pyrazine content, grown in a cool location. A slight defoliation of the vine canopy provided better shading for the grapes. The harvest time was chosen to keep the potential alcohol content as low as possible while preserving the distinctive aromas. The grapes were harvested as early as the beginning of September and briefly macerated on the skins. Fermentation took place at a controlled temperature in stainless steel tanks, and after several months of aging on the lees, the alcohol was gently reduced using a method that preserved the wine's aromas almost entirely—offering a contemporary choice in wine selection! The fine mousseux elegantly enhances the varietal profile. Zero Hero Bubbly delights with aromas of green gooseberry, lime zest, and white peach, accompanied by lemon balm and green bell pepper. On the palate, it is fresh, juicy, and vibrant, with fine mousseux and crisp acidity. A light, uncomplicated Secco with true Sauvignon Blanc character – even without alcohol.
