

OLIVER ZETER

SAUVIGNON BLANC LÉGÈRE 5%

Based on our experience with Sauvignon Blanc it was obvious to use this grape variety for our new de-alcoholized and alc-reduced wines. To meet our high standards, we had to completely re-think our approach. For Zero Hero 0%, we selected clones with a high pyrazine content, grown in a cool location. A slight defoliation of the vine canopy provided better shading for the grapes. The harvest time was carefully chosen to keep the potential alcohol content as low as possible while preserving the distinctive aromas. The grapes were harvested as early as the beginning of September and underwent a short maceration. Fermentation took place in stainless steel tanks at a controlled temperature, and after several months of lees aging, the alcohol was gently reduced using a method that preserved the wine's aromas almost entirely – a contemporary choice for wine selection! Only 5% alcohol, but 100% flavor! This light Sauvignon Blanc is fruit-driven and aromatic, with notes of white gooseberry, passion fruit peel, and lime zest, complemented by a hint of green bell pepper. On the palate, it is juicy with playful freshness. Despite the low alcohol content, it retains its typical varietal character – light, spicy, and wonderfully uncomplicated.
